1st ANNUAL BUSINESS TECHNOLOGY EXPO

Riverfront Park, Wilmington

South Water Street between Market and Princess

APRIL 1st 2008 from 11:00am to 4:00pm

VCi & blue dog Network bring Microsoft and Hewlett Packard to Wilmington for the 1st Annual Business Technology Expo

Registration is now OPEN for Wilmington's 1st Annual Business Technology Exposition, an exciting day for both big name and local vendors to highlight their technologies to Greater Wilmington area business, government and educational sectors. Please visit <http://events.bluedognetwork.com> for more information and to [register](#). The City of Wilmington is providing street closure for South Water Street between Market and Princess

The event, co-sponsored by Microsoft, Hewlett Packard VCi and blue dog Network will include the 'Microsoft Across America' *truck* – a 42 foot vehicle, housing a fully equipped technology center with hands-on demonstrations of the latest software, hardware and resources.

The 5 hour Expo will feature an educational forum where businesses can learn about the latest technology offerings and solutions. The spirit of the Business Technology Expo is to bring non-competitive area companies together and cross pollinate solutions for existing and prospective clients. If you have any questions about technology this is the event to attend.

VCi & blue dog Network, established in 2000, specializing in small and mid sized technology solutions, recently relocated the company to the Wilmington area. blue dog Network was named "Most Innovative IT Company of 2007" by TechNews magazine and was recently featured in The Greater Wilmington Business Journal.

For more information regarding the Expo,
please contact Dana Vizneau at 910-795-4750 ext. 710 or
